TO ALL MEMBERS

Dear Comrade,

Sub: Four Decades of Formidable Existence of AOUCB-WB

On the eve of reaching the milestone day of completion of 40 Years of memorable journey of our beloved Association, I wish best and safe career progression to my members and respectfully remember the contribution of the former leaders through whose selfless efforts and sacrifices we have been able to travel the long and challenging path in service to our members with head held high.

With induction of Officers at different levels by the Bank during last two decades, we have amongst us a young prolific brigade of Officers & Executives who are/have been associated with our mighty Organisation and strengthened its objectives and principles through their mental and physical involvement.

Logical law of nature is based on cruel truth of '**Beginning – End – Substitution**'. Everybody has to leave to allow the '**Future**' to fill the gap. The mankind derives its qualities and intellect from predecessors and moves forward to make this world a better and worthy place to live, by excelling in respective duties and responsibilities.

Trade Union forum also believes in passing of baton to new generation incumbents to keep the fire of self respect and dignity at work place ever ignited, to guarantee social justice for its members. Sudden vacuum in leadership is never warranted as the same belittles the sacrifices of erstwhile leaders who had the conviction and confidence to bring members under a common umbrella through umpteen vicissitudes.

I sincerely feel that our Association shall keep on touching every milestone in the continuance of its journey under the committed activism and noble involvement of new generation officers.

With Comradely Salutations!

Comradely Yours

(Ajoy Kumer Mondal)

General Secretary
