Circular No. 96/2018-21

December 9th, 2019

TO ALL THE MEMBERS

Dear Comrade,

Ref: Coalition of Dissenters under Retired Leadership-False Campaign by Rival Union

Our Prediction Comes True- Losers of Triennial Conference Float New Body for Survival

On 8th December, 2019, being commemorated as the darkest hour in UCO Bank Officers Movement witnessed how a handful of retired officers of the bank with few misled officers organised as so called Foundation day of West Bengal State Unit by calling those officers, whom they had back stabbed on 14th September, 2019. First they disaffiliated democratically elected AOUCB, West Bengal State Unit in autocratic way and today amongst presence of few UCO Bank Officers and large number of officers from other Bank and UCO Bank Pensioners floated CEC & Zonal Committees selected/dictated by Retired Leader. As predicted and continuously propagated by us – the top two slots/ control remained with retired officers who had lost the elections and had vowed not to continue in leadership during Triennial Conference. **Hidden truth revealed before the officers and our consistent belief shared at every forum on the subject vindicated!!!**

Comrades, you may receive number of social media messages and one circular shall follow soon misquoting details of today's meeting, which was called by a Federation led by retired officers with declaration of stupendous success and huge attendance. Various images taken at today's meeting circulating in social media shall reveal that majority of the audience were imported from other Bank and retired officers of our Bank. Now, you can realise the fallacy when a meeting called by a retired officer, who had led the trade union for almost 40 years needed to borrow participants from outside UCO Bank to get respectable audience to impress upon top leadership of AIBOC. What guarantee of respect and dignity can he promise to deliver to our officers by background manoeuvring through his two retired leaders and other important leaders who lost the democratic elections but posted pictures today with self allocated portfolios. **Dictatorship of the highest order under the veil of democratic principles!!!**

You might have heard of a rumour that Odisha State Unit Executive Committee (Affiliated to AIBOA) has taken decision of seeking affiliation of AIBOC. Those, who had raised objection over our decision of taking affiliation from AIBOA despite following due procedures and after taking mandate from Central Executive Committee, have themselves indulged in acting on the basis of irregular mandate of two leaders of Odisha to give affiliation to Odisha Unit having support of only few individual officers. For clarification of our members, we inform that two Retired leaders having very small percentage of support from Odisha were advised to vacate their posts during forthcoming State Conference as retired officers cannot hold any post as per direction of AIFUCBO (Affiliated to AIBOA). Just like their new ally, both the Office Bearers of Odisha State Unit have disowned their members to satisfy their own greed to continue as leaders even after their retirement without

seeking mandate of Central Executive Committee and General Body Meeting. Similar falsehood was propagated in the name of Delhi Unit few years back but reality **soon reverted back on the perpetrators who are used to demolish democratic organisations and practice dictatorial rule.**

Comrades, we appeal for not falling prey to rumours which have been spread by rival union to hide their personal agenda of continuance in spite of being disowned by their own members and Management. **The truth has the uncanny habit to come out – and this time it shall be very soon!!! Have Trust in your Belief and Honesty while on Right Path!!!**

Comradely Yours,

Yours truly,
